News from Lois Schneider Realtor

10/27/09

Kathleen Barrett, Sales Associate for Lois Schneider Realtor, was selected to receive the first “Rookie of the Year Award” from the North Central Jersey Association of Realtors. This new award was created to recognize a member that displays exemplary work in the business and humanitarian sectors, and who has been a member for two years or less. Kathy’s integrity, professionalism, and dedication to continuing education and development in the field of Real Estate make her a natural choice for this honor. Earlier this year, Kathy also received the prestigious Lois Schneider Realtor “Rising Star” Award for outstanding production and team spirit. If you have any questions about buying or selling a home, please call Kathy at 908-376-2749.
